

Great Plume Debate Chapman conference: Tentative Agenda					
	Sunday, 28th Aug	Monday 29th Aug	Tuesday 30th Aug	Wed. 31st Aug	Thursday 1st Sept
8:00 - 8:30	Welcome and introduction				
8:30 - 10:00	Plume theory & predictions	Temperature I	Geochronology I	Field evidence I	Petrology & Geochemistry I
10:00-10:30	coffee	coffee	coffee	coffee	coffee
10:30-12:00	Alternative theories & predictions	Temperature II	Geochronology II	Field evidence II	Petrology & Geochemistry II
12:00 - 13:30	lunch & posters	lunch & posters	lunch & posters	lunch & posters	lunch & posters
13:30-15:00	Lithosphere & mantle physics & dynamics I	Fieldtrip I: Ballachulish and Glen Coe	Seismology I	Fieldtrip II: The Road to the Isles	Discussion I
15:00-15:30	tea		tea		tea
15:30-17:00	Lithosphere & mantle physics & dynamics II		Seismology II		Discussion II & Synthesis
17:00-18:00	posters		posters		posters
18:00-19:00			posters		posters
19:00-20:00	dinner	dinner	dinner	dinner	dinner
20:00-20:30	posters	posters	posters	posters	posters
20:30-21:00		Lecture: <i>Scottish Highlands geology in a global context</i> Ian Dalziel	Planetary		
21:00-21:30				Scottish evening entertainment	
21:30-22:00
